VERY IMPORTANT INFORMATION FOR THE DANCE PROGRAM:

Dance List/Program for the Day

To assist in working up the Dance Program for the day, we ask that all instructors submit a list of up to **25 dances** to us before **Friday 15th December 2023** or before you close down for your Xmas Break.

PLEASE SEND YOUR LIST TO: info@queenslandlinedance.com

This will enable us to work on the program over the holiday break. We will then email you again after Xmas for any new dances that you may want added to your original list.

We will need these extra dances before **Friday the 19th January 2024**. This will give us enough time to finalise the program and get the program out to all instructors in early February 2024.

Dances chosen for the day will be those that are most requested by all classes in the north.

This event is not a fundraising event. It is a fun social day of dancing for everyone to enjoy. We all love to see our beginners take to the dance floor. The program will provide them with plenty of dancing with instructors to assist them on the floor. Please encourage them to come along.
